DISCIPLINARY ACTION

In Texas public schools, Latino students have higher rates of disciplinary action than their White counterparts. In the 2019–20 SY, 6.52% of Latinos (or 193,001 students) were given in-school suspensions and 3% (or 88,799) were given out-of-school suspensions, while White students only faced in-school suspension 5.7% of the time and out-of-school suspensions 1.7% of the time.¹⁶

About UnidosUS

UnidosUS, previously known as NCLR (National Council of La Raza), is the nation’s largest Hispanic civil rights and advocacy organization. Through its unique combination of expert research, advocacy, programs, and an Affiliate Network of nearly 300 community-based organizations across the United States and Puerto Rico, UnidosUS simultaneously challenges the social, economic, and political barriers that affect Latinos at the national and local levels.

For more than 50 years, UnidosUS has united communities and different groups seeking common ground through collaboration, and that share a desire to make our country stronger. For more information on UnidosUS, visit www.unidosus.org, or follow us on Facebook, Instagram, and Twitter.
